

COACHELLA VALLEY Singles League Challenge Rules

RULES AND GUIDELINES:

Players must be age 18 and over.

Rules of Tennis and The Code apply.

Players with current NTRP Ratings in Tennis Link must use that rating. Players without NTRP Ratings must self-rate according to NTRP guidelines.

Players are expected to exercise the highest level of integrity while competing in this league.

Scoring format is best of 2 tiebreak sets with a 10 point match tiebreak played in lieu of the third set and scored as 1-0. If both players agree, the third set may be played out but will be scored as 1-0. You should decide before the match if you are using the Coman style or regular tiebreak.

Players should try to play their matches during the week they are scheduled. All matches must be completed and SCORES POSTED by December 15 for the Fall League and April 15 for the Spring League. Matches may always be played earlier when both players agree. The winner of the match posts the scores on Tennis Link.

The home player is responsible for initial contact to schedule the match. This does not preclude the visiting player from making contact first.

The date, time and location of the match must be agreed upon by both players 24 hours before the agreed match time. The player unable to play will default the match unless the player receiving the default prefers to reschedule the match.

Defaults will be scored as a 6-0, 6-0 win for the player receiving the default.

If a player withdraws from the league after playing one match, all players in the group will receive a 6-0, 6-0 default against the withdrawing player.

If a player does not arrive within 15 minutes of the scheduled match time the player will default the match unless the opponent agrees to extend the time or reschedule the match. Players should exchange telephone numbers in case there is a delay in reporting for the match.

Player listed as “home” should provide the balls and reserve the court.

If a player must withdraw from the league he/she should notify all of their opponents and the league coordinator.

No refunds will be issued once the schedule has been published.

Tennis Link will determine the winners of each flight.

The schedule will be published on Tennis Link.

Registration will be done on Tennis Link.

Each player must be a member of USTA. The League Fee is \$21.
